Summary: Current law requires funding pursuant to the local control funding formula to include, in addition to a base grant, supplemental and concentration grant add-ons that are based on the percentage of pupils who are English learners, foster youth, or eligible for free or reduced-price meals, as specified, served by the school district or charter school. Current law specifies the amount of the base grant in the 2013–14 fiscal year and requires that amount to be increased by a specified cost-of-living adjustment in subsequent fiscal years. Current law requires the Superintendent of Public Instruction to compute the supplemental and concentration grant add-ons as certain percentages of the amount of the base grant .This bill, notwithstanding that specified cost-of-living adjustment, would require the amount of the base grant for the 2019–20 fiscal year to be increased by a 5.16% cost-of-living adjustment.h

Summary: The California Constitution generally conditions the imposition of a special tax by a city, county, or special district, including a school district, upon the approval of 2/3 of the voters of the city, county, or special district voting on that tax. This bill would condition the imposition, extension, or increase of a parcel tax, as defined, by a school district or community college district upon the approval of 55% of its voters voting on the proposition, if the proposition meets specified requirements. The measure would also make conforming changes to related provisions.
